The IMU signs the Science in Exile Declaration

Dear colleagues,

The [Science in Exile](#) initiative has launched the declaration: '[Supporting at-risk, displaced and refugee scientists: A call to action](#)' and the IMU has signed it. The initiative came from the International Science Council ([ISC](#)).

Specifically:

- The Science in Exile mission is to enhance the work and lives of at-risk, displaced, and refugee scientists globally.
- The Science in Exile vision is an active international movement which promotes the protection of scientists, leading to better science and contributions to humanity.

We encourage all our members to [sign this declaration](#).

Regards

Helge Holden
Secretary General of the International Mathematical Union
