

International Mathematical Union

MEMBER BALLOT 02/22

December 12, 2022

Admittance as full Member

Applicant: **Mongolia**
Application for full Membership

After analyzing and reviewing the application, the Executive Committee of the International Mathematical Union recommends that Mongolia be admitted as a full Member of the IMU, with group I adherence, as of March 1, 2023.

Members must now vote on the applicant's admittance. The vote is the responsibility of the Adhering Organization in each member country. Please provide your response below:

The Adhering Organization of (*enter country*) _____ is

- in favor of Mongolia being admitted as a full Member of IMU.
- not in favor of Mongolia being admitted as a full Member of IMU.
- abstaining from voting.

Name of Adhering Organization: _____

Signature: _____

Name of signatory (please print): _____

Please return this ballot by mail, e-mail or fax by **February 28, 2023** to:
